### NAME IT, IF YOU CAN

At Bare Brothers' meat market on Main street, there is a queer looking little animal that is attracting attention.

In "face and form" the animal is a rabbit, but covering the usual coat of hair is a heavy coat of wool, measuring about two inches.

The rabbit was captured last Friday by a Swede at Grand View, and brought to Eureka Springs today by Tom Wright. The color of the little creature is like a Maltese cat, and anything fed to rabbits seems acceptable to this strange freak of nature.

Those who have seen it say this is the only one of its kind, so far as their experience goes.—Eureka Springs Echo.

Overnight Cure For Cold In Head Or Chest

It is Curing Thousands Daily, and Saves Time and Money

Get a bowl three quarters full of boiling water, and a towel. Pour into the water a scant teaspoonful of HYOMEL (pronounce it High-ome).

Put your head over the bowl and cover head and bowl with the towel.

Breathe the vapor that arises for a few minutes, and presto! your head is as clear as a bell, and the tightness in the chest is gone.

It's a pleasant cure. You'll enjoy breathing HYOMEL. You'll feel at once its soothing healing and beneficial effects as it passes over the inflamed and irritated membrane. 50 cents a bottle, at druggists everywhere. Ask A. B. Knapp for extra bottle HYOMEL Inhalant.

### CUBA MUST BEHAVE NOW

Washington, Jan. 16.—The state department has served notice on President Gome that the United States will intervene in Cuba if further attempts are made by the veteran organization to nullify the law prohibiting the interference of the military in political affairs.

The veterans have been active during the last three months in attempts to have displaced from the civil service persons who sympathized with the Spanish cause in the rebellion. Dispatches today indicate that the veterans were threatening to coerce the Cuban congress, now in session, to nullify the law regarding the participation of the military in politics.

As the United States regarded the activity of the veterans as likely to threaten the stability of the republic, the warning issued today was emphatic, the United States being by treaty bound to see that the Cuban constitution is observed.

Bob Callaway has offered you a good rug proposition; give it your attention.
